**DR. DONATO ZUGGO**

It's hard to find a hero in the last of the 70's. Most of the figures who used to serve in that capacity have fallen into disrepute. We have discovered that too many of our athletes owe their loyalties to the mighty dollar rather than their teams; too many of our politicians have shelved their integrity to line their pockets; and too many of our parents, we suddenly learn, are mere humans like ourselves, prone to the same mistakes. However, and fortunately, to add a sense of direction to our formative years, we still can look to figures of inspiration. These might include our parents, honored members of the clergy, world leaders, or Dr. Donato Zucco, Superintendent of Schools in the Greater Johnstown School District. Dr. Zucco can be an inspiration because he proves the American Work Ethic. He got where he is not because he was

fortunate enough to be born into a situation which guaranteed the opportunity for success, but because of a dream . . . and hard work . . . and determination.

Dr. Zucco graduated from Johnstown High School in the late 1950's without an academic degree. He worked for a time as a truck driver for \$65 a week, but realized he didn't want to spend the rest of his life performing menial tasks. So Dr. Zucco did something with his life that many people only TALK about. HE CHANGED IT! He came back to JHS and got his high school academic diploma. He went to Pitt and got a college degree. He taught math at Garfield and later became principal

there. But Dr. Zucco's dream had not yet been fulfilled. He returned to the University of Pittsburgh and earned his Doctorate.

Since becoming Superintendent of the Greater Johnstown School District in 1974, Dr. Zucco has become one of the area's most respected educational and community leaders. He is positive proof that you CAN set your sights high and reach a seemingly impossible goal, no matter what that goal might be. You CAN change your life, no matter where it might be at this moment. And if you have doubts, you can talk to Dr. Zucco. He remembers who he is, what he's worked hard to accomplish, and how much influence he can have on others. He truly cares. And when he gives advice, take heed. It may be the soundest you'll ever receive.

And now here is my secret, a very simple secret;  
It is only with the heart that one can see rightly;  
What is essential is invisible to the eye.

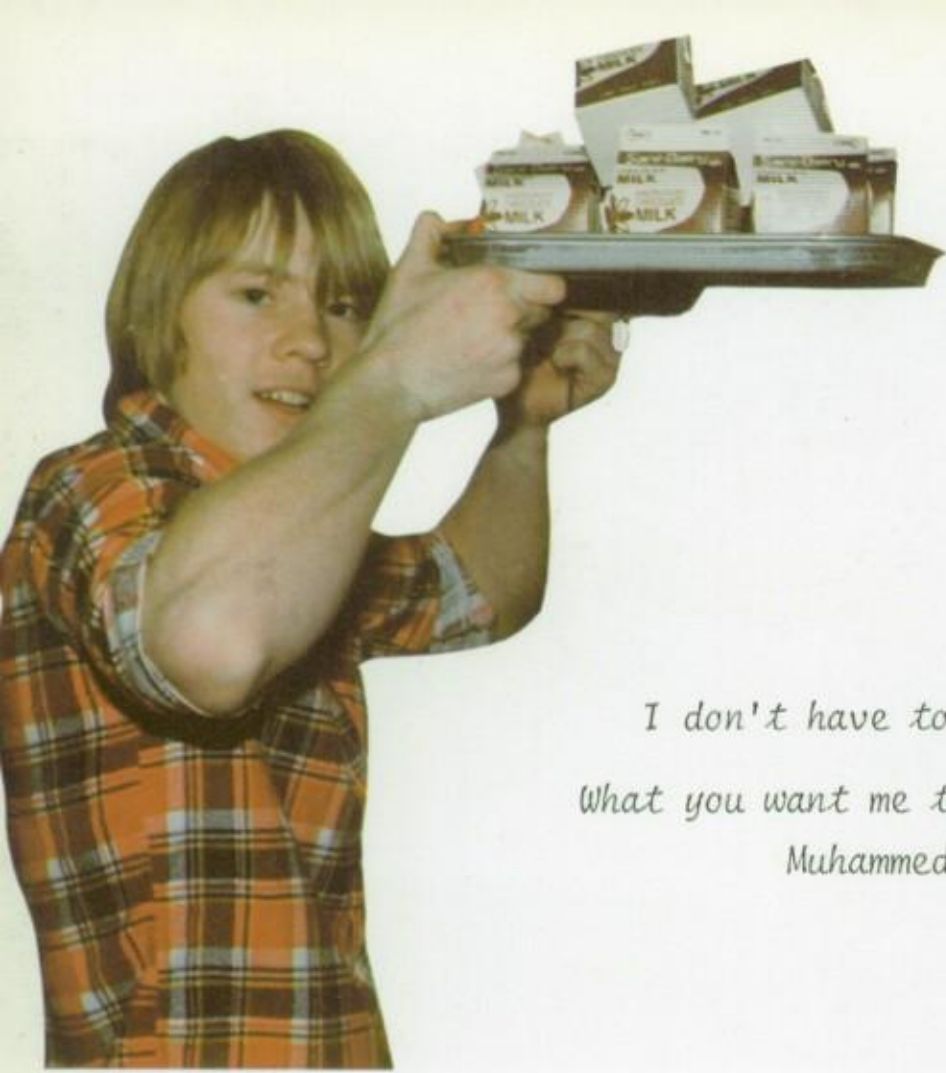

Antoine De Saint-Exupery

When?*

# PRINCIPAL

Above Right: Principal William Grove returned to the reins of running Johnstown High after a year long sabbatical in order to obtain a doctorate. Mr. Grove feels there are three reasons why J.H.S. is "second to none;" the faculty, the students and the program. The atmosphere which the students of J.H.S. provide makes Mr. Grove look forward to his future years as principal. Below Left: Athletic Director John Liska has the responsibility of organizing an athletic program that encourages the opportunity for participation by all the students. Mr Liska also is the coach of the boys' and girls' cross country teams.

# THE LAST OF THE 70S

***SPORTS***

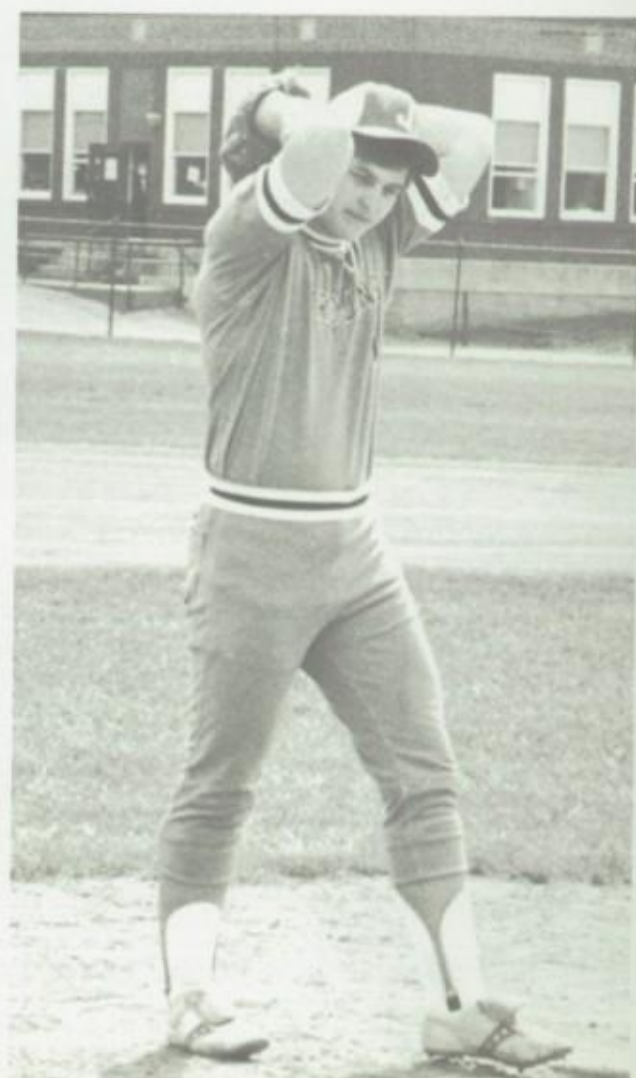

# ABSOLUTELY SUPER!

Each year the *Spectator* selects who we feel are the outstanding individual performers from the year's athletic teams. This year we are proud to recognize runner **Karen Horoho** and baseball star **Thad Henry**.

**Karen Horoho** has earned letters in Cross Country two years and in Track four years. She started out the year going undefeated in Cross Country regular season and won the Central Western All-Conference Championship, setting a new course record. She also broke records at the Conemaugh Township and Bishop Carroll courses. She placed 11th at the State College Invitational and 6th at the District VI Meet. For the second year in a row she qualified for States, where she finished 46th.

**Karen** competed during Track in the 880, two-mile relay, and went undefeated during the regular season running the mile and two-mile. She finished 3rd in the two-mile at the State College Invitational and won the mile and two-mile at the Westmont Invitational. In the District VI meet, Karen placed 2nd in the two-mile, earning her a trip to the PIAA State Finals, where she finished 11th.

Even though **Thad Henry** had the highest batting average on the baseball team, hitting over .330, he is best known for his ability in pitching. He was 4-0 in *completed* games. In his four wins he allowed a total of only 9 hits. **Thad** had about 60 strikeouts for the season. In the game against Westmont, **Thad** pitched a no-hitter. At the close of the season, his ERA stood below 1.0.

In the summer of 1978 **Thad** played for Wheeler Cadillac-Pontiac. He was named the Johnstown Junior League "Player-of-the-Year." In the same league, he held the third highest batting average at .390. He also headed the league with 49 hits, 13 doubles, and 5 triples. In the summer of '78 **Thad** had the lowest ERA in the Junior League at 1.40.

# KAMNIKAR AWARD

The recipient of the John Kamnikar Award, **Kathleen Gelles**, stands proudly with her parents, Mr. & Mrs. Charles Gelles.

---

The John Kamnikar Award is one of the most coveted honors at Johnstown High School. This award is presented each year in memory of John Kamnikar, who was to have been the starting quarterback on the 1960-61 football squad. During the summer of 1960, John and his girlfriend were killed in a car accident.

The John Kamnikar Award was originated in 1961 by the school's coaching staff and is presented to the athlete that typifies the Kamnikar excellence.

The 1979 John Kamnikar Award was presented to **Kathleen Gelles** for her athletic achievements on the tennis courts and her scholastic achievements in the classroom. **Kathleen** was a two-year letterman and graduated fifth in her class.

There are many excuses that can be used to answer the questions about this year's record. The Trojans went to camp at St. Francis College with fifty players, but when the season ended there were only thirty-seven, including just nine seniors. However, there were good memories that came out of this season. Most of these memories are from the final game of the year. Everything from the clowning around in the restaurant to the feeling of dominating Valley during the entire game. The joyful emotions of the final game victory helped ease the pain of the games before. Although the team faced much adversity, the gridders kept hangin' in there during this rough chapter in Trojan football history.

The Boys' Cross Country team was coached by Mr. John Liska. During the season they compiled a respectable record of 5 wins and 5 losses. The team has bright prospects for the future because eight of the ten members were underclassmen. The two seniors were **Mike Coby** and **Dave Gray**. This year's top runners were **Harry Shaffer**, a junior, who finished 6th at the Central Western All-Conference Meet held at UPJ, and **Ralph Dravis**, a sophomore, who finished 2nd in the District-6 Junior Varsity race at State College. The team as a whole finished 5th out of 10 in the Central Western All-Conference Meet.

# GIRLS DO IT TOO

This was the first year for a Girls' Cross Country Team, which worked alongside the boys' team. They participated in every meet, even if the opposition did not have a girls' team. The leading runner this year was **Karen Horoho**, a senior who went undefeated in the regular season and won the Central Western All-Conference championship, setting a new course record. She also broke records at the Conemaugh Township and Bishop Carroll courses. She placed 11th at the State College Invitational and 6th at the District VI Meet, which qualified her to participate in the State finals, where she placed 46th. With more than half the team being underclassmen, there is a bright future for Girls' Cross Country here at J.H.S.

Although this year's record may not show it, the team played very good basketball. The Trojan hoopers lost five games by a total of twelve points. The team also had tough breaks in losing to some of the breathers on the schedule. The most memorable game would have to be the two-point loss to powerful Altoona at the War Memorial.

The high point of the season was the trip to Canada to play in the Silver Fox Tournament in Hamilton. The Trojans captured third place, but more important are the memories off the court with new Canadian friends.

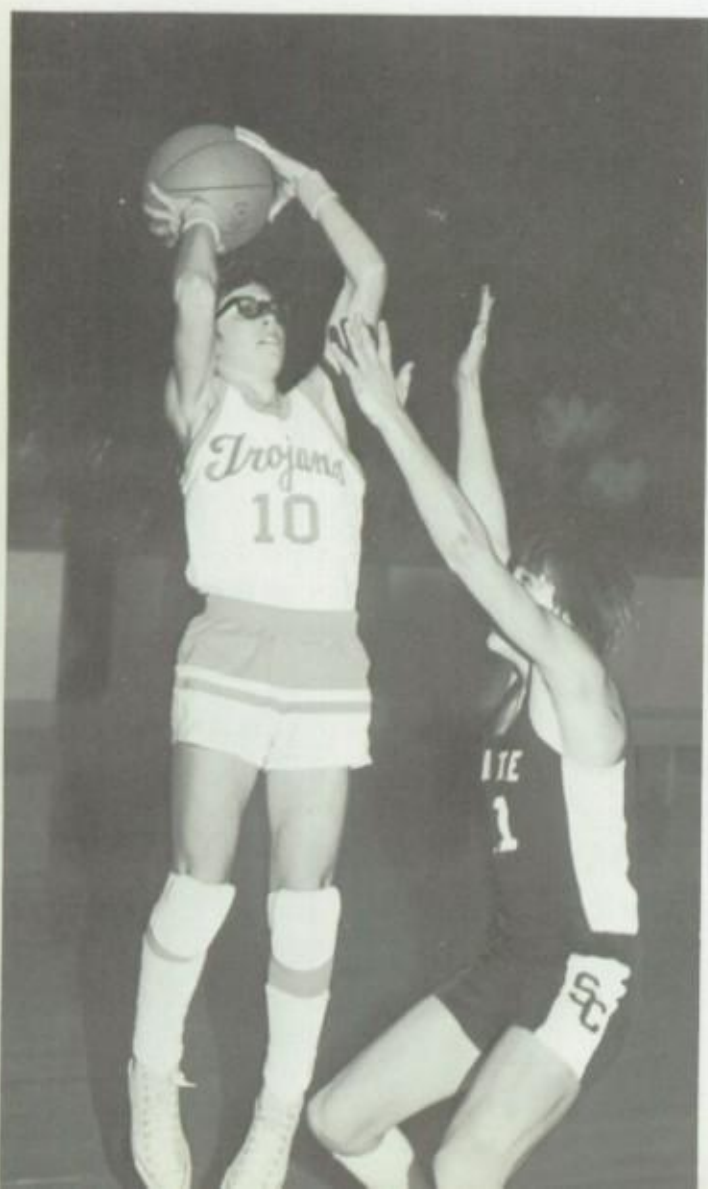

This year's season saw many underclassmen in the starting line-up, indicating that the future should be very promising for **Coach Litwalk**.

The Trojan grappling team suffered what might have been its final fall during the 1978-79 season. After three matches, the decision was made to cancel the program. The main reason for this was the lack of interest. There were approximately thirty people on the team at the beginning of the season, but after the third match about twenty members quit. This stunning development not only shocked the coaching staff and what was left of the team, but also the whole school. John Liska, the Athletic Director, after a few days deliberation, finally said he couldn't justify the expense of the program for only thirteen people. A telephone vote was made by the School Board and the program was cancelled. We can only hope that the situation next year will be such that Johnstown Wrestling will come back into its own.

Starting Seniors **Pam Steinbring**, **Janet Pope**, **Joanna Massey**, and **Brenda Collier** led the Trojans to numerous victories. Other seniors, **Laurie Fyock** and **Tammy Fern**, allowed **Coach Huchel** the versatility needed to substitute freely. The team was also aided by the playing ability of the rest of the Varsity players.

At this time, **Pam Steinbring** will be the only Trojan to continue her volleyball career. **Pam** will play for the Fighting Scots of Edinborough.

# SPRINGIN' AGAIN

The boys' track team continued their winning character this year by compiling a record of 12 wins and 3 losses. Despite the early loss of **Havert King**, the team proved it had depth and ended its season with a very respectable record. **Havert** came off the injured list to spark the team to a second place finish in Districts before going on to states. **Havert** won the 100-and 200-yard dashes and was second in the long jump and 440. Others who placed in Districts and earned berths in the State meet were **Vince Szczur**, who placed first in the shot put and second in the discus and javelin, **Rick Kanuch** and **John Petrosky**, who finished one and two in the pole vault, and **Darryl Gibson**, who won the 330 intermediate hurdles and placed third in the high hurdles.

# JUMPIN'

The girls' track team started its season with a string of victories before bowing to Altoona. Both **Elaine Jackson** and **Karen Horoho** placed in the State College Invitational with **Elaine** taking third in the 100-yard dash and **Karen** finishing sixth in the mile and third in the two-mile. The team placed fourth in the Westmont Invitational; **Elaine** took second in the 100-yard dash and **Karen** took first in the two-mile run while lapping all but the second-place finisher. **Karen** finished second in Districts by breaking the record she set in the Westmont meet. By placing second, she qualified for the state meet, in which she placed 11th.

# WHAT'S YOUR

This year J.H.S. is continuing a tradition with another great tennis team. The coach of the team is Joe Ramirez, a teacher at Meadowvale Elementary School. This year the Tennis team was scheduled to play 12 league matches against teams from Westmont, Vo-Tech, Bishop McCort, Bedford, Indiana, and Forest Hills. They also competed in the District 6 Tournament in Altoona.

## PLAY BALL!

The 1979 J.H.S. Baseball Team had an up and down season. The team ended up with a 5-5 record in the tri-county league. The team was sparked by the hot bats of juniors, **Richie Price** and **Jerry Stofko**, and seniors, **Thad Henry**, **T.J. Delic**, and **Jim Ross**. **Richie Price** led the team in hits and RBI's while **Thad Henry** led in batting. **Rich Price** and **Thad Henry** also were tied for homeruns with 3. **Jim Ross** legged out the lead for stolen bases while **Steve Ressler** led in walks. The pitching staff was led by **Thad Henry** and **Brian Bambino**, both seniors. **Henry** had 4 of the 5 wins that the team had with junior **Mark Fern** picking up the only other win. Other starting players on the team include **Mike Stumpo**, who had his share of hits at the plate, and **Scott Bachik**, who did well for his first year. The team lost a good centerfielder and hitter, **Scott McClelland**, who was injured in a game while sliding into second. **Glenn Berkey** also did his share at first base. Overall the team did well.

On Saturday, October 7, J.H.S. engaged in the Homecoming battle against Connellsville. The pre-game activities included the presentation of the '78 Homecoming Queen and her Court.

Although J.H.S. could not pull out a Trojan Victory, many memories of that night's game will always linger on.

Students boogie to the beat at the J.H.S. Homecoming Dance.

This year, the music for the Annual Homecoming Dance was provided by Lexus. As everyone danced to the music, suspense filled the air. The anticipation in the air was electrifying as the evening was drawing to a close and the time was approaching for the crowning of the Queen. Finally the moment arrived. The Court lined up and the runner-up, **Kelly Johnson**, was announced. **Annette Oxen** was chosen as the Queen and was crowned by last year's queen, **Kelly George**. One final dance and the night was over.

# A SCENE OF HALLOWEEN

This year's Thirteenth Annual Glosser Bros. Halloween Window Painting Contest was again a success. Many area elementary schools, junior high schools and senior high schools competed in this year's contest. The top three winners for the high school division were Vo-Tech, Cone-maugh Township High School, and Conemaugh Valley High School respectively. Our artists consisted of; team one: Joellen Guidry - captain, Margo Wright, Maureen Martin, Dave Seigh, Cherl Orlosky, Jodie Molnar, and team two: Susan Pfuhl - captain, Chris Pummel, Ed Simmons, John Demo, Beth Howard, and Norma Thomas.

# MUSCLES, MADNESS, AND MEMORIES

One of the Homecoming week activities was the Battle of the Classes. The enthusiasm of the students on Oct. 4, 1978 created a spirited scene in the J.H.S. gym. All three teams, sophomores, juniors and seniors, tried their very best to out-power their opponents, but the Seniors proved to be the Superior class.

# THE "LITTLE FOXES"

J.H.S. cheerleaders chalk up another Trojan Victory.

The cheerleaders of J.H.S. lead a very active life. They not only support the football, basketball, and wrestling teams, but also perform instructed dance routines with the band.

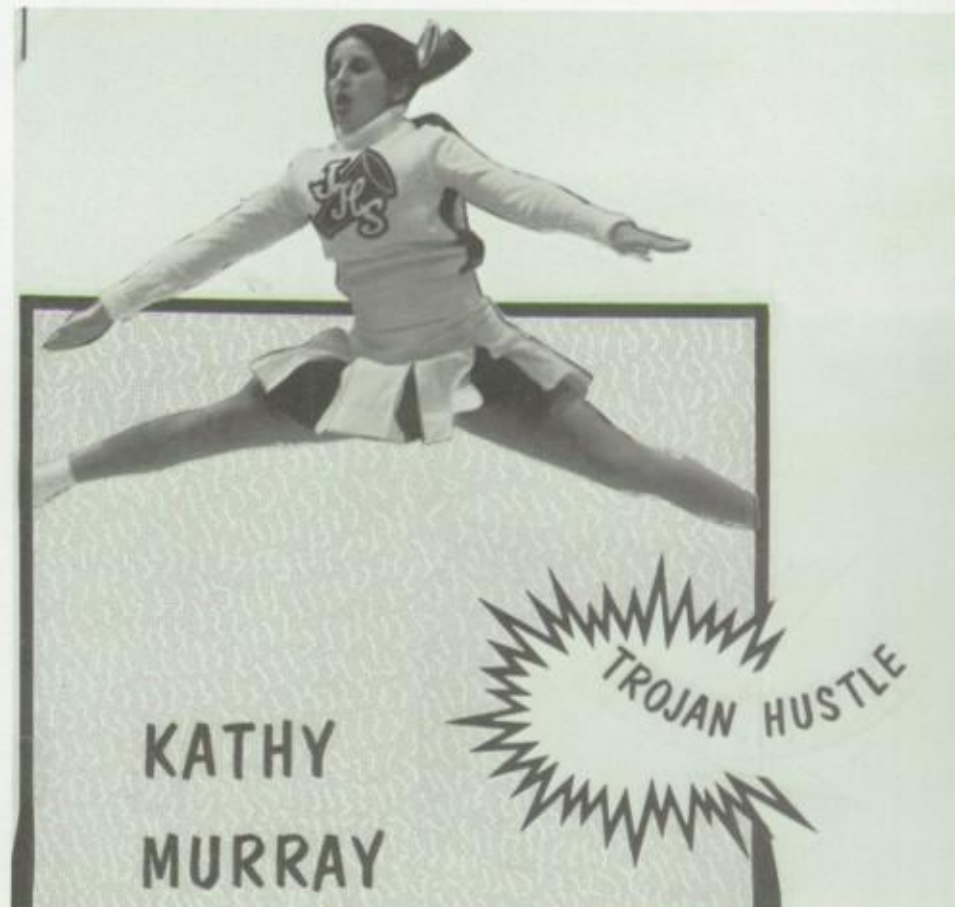

Due to the unsafe floor conditions at the annual War Memorial Cheerleading Contest, the girls were judged on only the viewing of one round. The cheerleaders came through with a 3rd place trophy.

The girls perform their graceful moves.

**Karen Kadas** shows her spirit and enthusiasm.

Members of the J.V. Squad are Patty Madden, Jennifer Skelton, Teresa Ukmar, Patty Calik, Patty Adams, Nancy Calik, Chris Gartland, Anna Germana.

The cheerleaders always encouraged their team onto victory through both good and bad times.

The squad enjoys cheering at every game.

The girls add a sparkling attraction to the J.H.S. band as they perform a routine in a city parade.

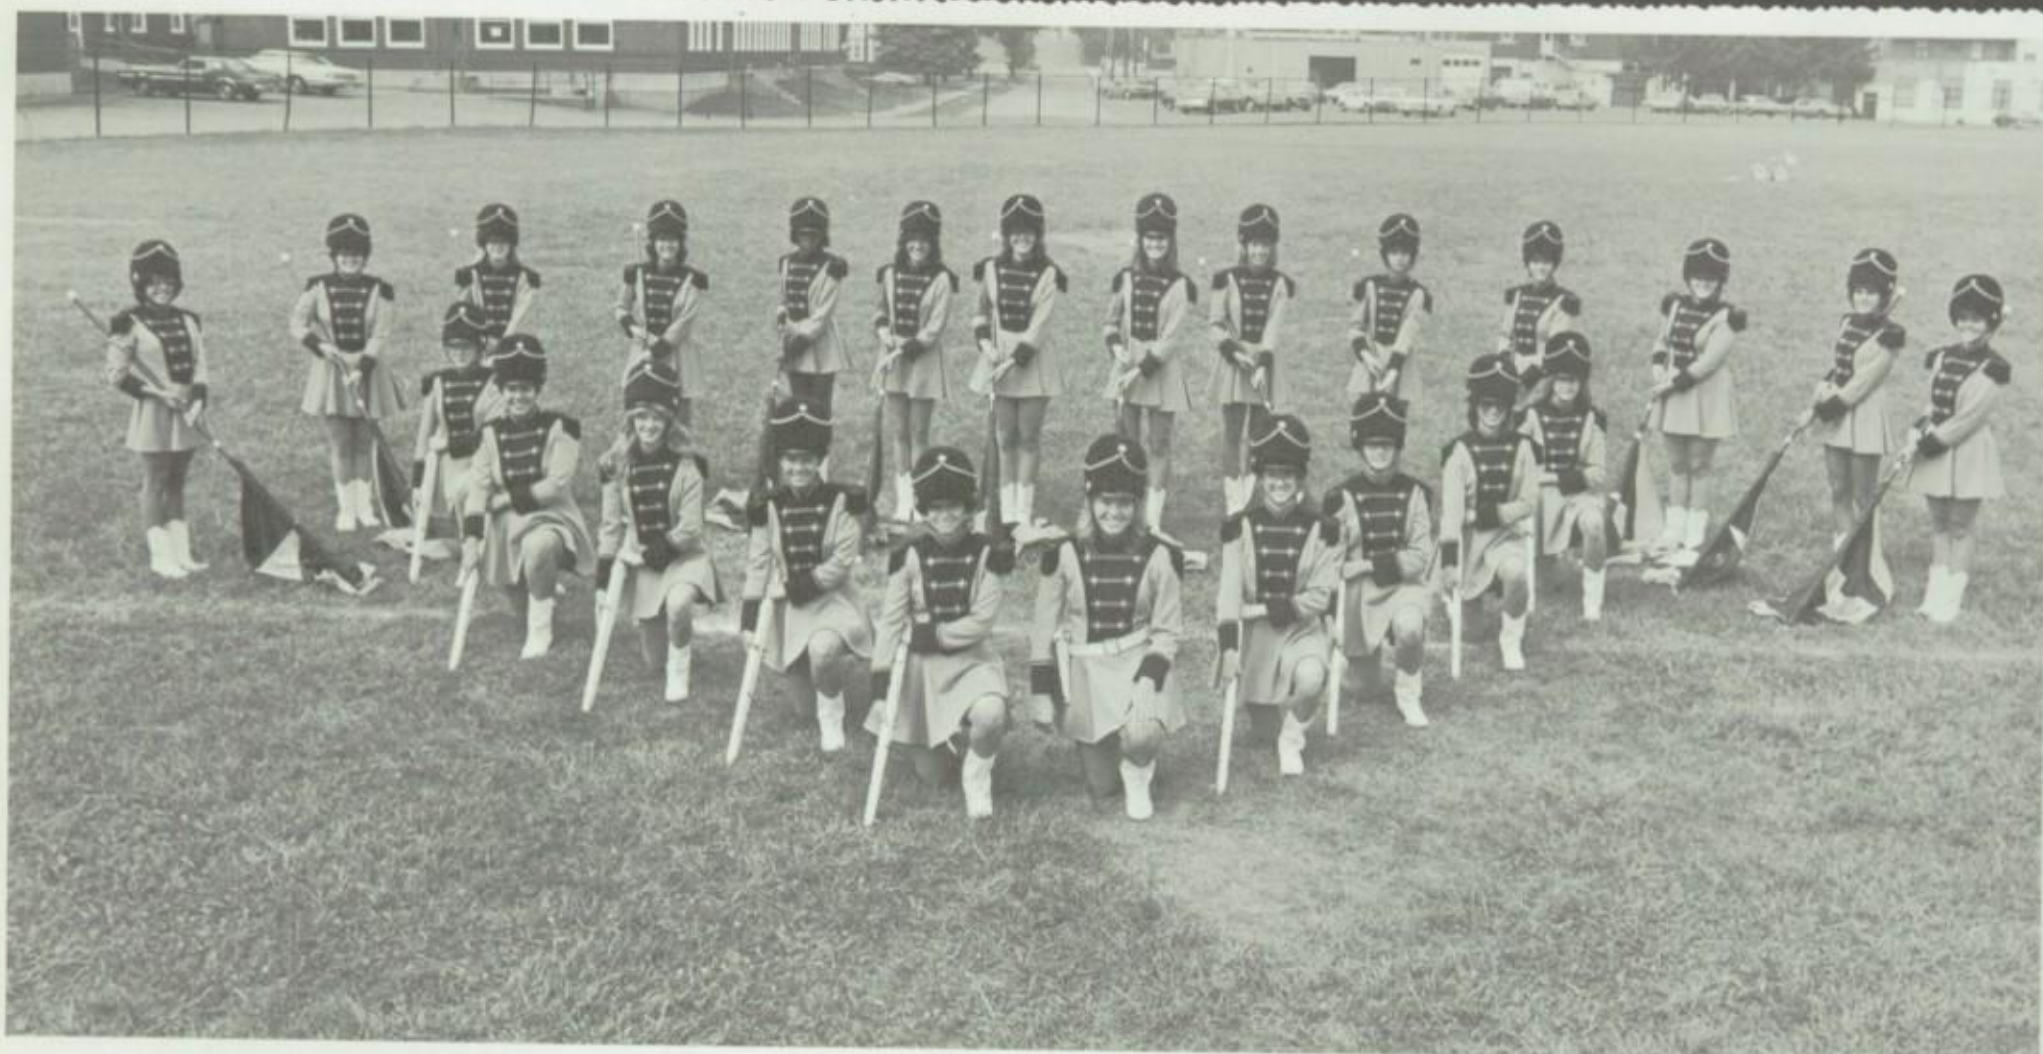

**Jennifer Skelton** sits in disbelief as she realizes that the team has lost the game.

After completing the contest cheer, the cheerleaders give a great big smile.

Below Right: Lennon Sisters, look out!

The 1978-79 Color Guard has a whole new look. This year's twenty-three spinners for the first time are competing in the West Penn Color Guard Circuit. The contests are held from January until March with championships in April. Approximately thirty-two squads competed in the Circuit. Contests were held at Norwin, Greensburg, Turtle Creek and a few in Maryland and Ohio. Practices were held every Tuesday and Thursday night and Saturday mornings. Also they competed in Denver during the annual band trip. This November they held a spin-a-thon at the Richland Mall. Each girl twirled four hours, comprising forty-eight hours. They raised \$2,000.00 to help pay for equipment and the band trip. They also stuffed newspapers at the *Tribune - Democrat*. They played a big part in all football games and parades.

This year's squad consists of Debbie Antonikas - captain, Renee Weaver - co-captain, Judy Youchak, Helen Zolnosky, Lesa Killen, Sue Hody, Carrie Nagy, Kim Ryan, and Michelle Stevens. Under the direction of Mr. W. Glyn Edwards and Miss Jolene Miklos, the majorettes captured third place at the Altoona Jaffa Mosque Majorette Spectacular. Other contests consisted of the Sixteenth Annual Majorette Contest held at the War Memorial and hosting the Central Keystone Contest, which they won last year at Windber High School. They also competed at the 1978-79 Denver International Band Festival held at Denver, Colorado.

# BLOOD, THUNDER,

On May 2, the band traveled to Denver, Colorado, for the National Music Festival. Band members awaiting sunny days were greeted by a falling snow, which soon cleared up. The victorious Trojan band, under the direction of **Mr. and Mrs. Glyn Edwards**, received 1st places in marching band, majorette, color guard, and drill team competitions. This was an astounding feat since they competed against much larger bands from all over the Midwest. Among other honors, May 8 was proclaimed Johnstown Band Day by **Mayor Tomljanovic**. The song played by the band was "Blood, Thunder, and Drums."

Under the direction of Mr. Carl Miller, this year's Mixed Chorus was a very active group. In December, besides the annual Christmas assembly and concert, the chorus performed at the Rehabilitation Center and at various churches in the area. In April they visited Nashville, Tennessee, where they captured a bronze medal at the "Sounds of America" Music Festival. While in Nashville the group spent a day in Opryland, U.S.A. and toured a recording studio. The annual Spring Concert was held on May 16. The chorus also performed at Baccalaureate and graduation. The 1978-79 Mixed Chorus was just another example of the fine musical talent found here at J.H.S.

# AND JOBS

The General Public Utilities Corporation (G.P.U.) held its annual stockholders meeting in Johnstown on May 9, 1979. Their meeting at the Cambria County War Memorial followed by just over a month America's most serious power plant incident, which had occurred at Three Mile Island Nuclear Power Plant near Harrisburg.

Since G.P.U. was the primary owner of T.M.I., it was feared that large numbers of anti-nuclear demonstrators would flood Johnstown. However, the few anti-nuclear demonstrators that did show up were overshadowed by several dozen employees of the energy community, more concerned with their jobs than the possible negative aspects of nuclear power generation.

**I** t's a place where memories grow, but  
 it's a place where they may die.  
**I** t's a place where all questions can  
 find their reasons why.  
**M** emories tempt our minds with  
 ideas we can't forget,  
**M** ost of them are happy but  
 others we regret.

**T**

he windows of our minds are like  
the yearbooks of our youth,

**B**

oth contain the dreams we lost,  
but both contain much truth.

**O**

ur yearbooks are filled with memories,  
pictures and pressed flowers,

**W**

e turn back the pages of our lives,  
and watch the years go by in hours.

**W**

e laugh at some pages, but  
at others we shed tears,

**F**

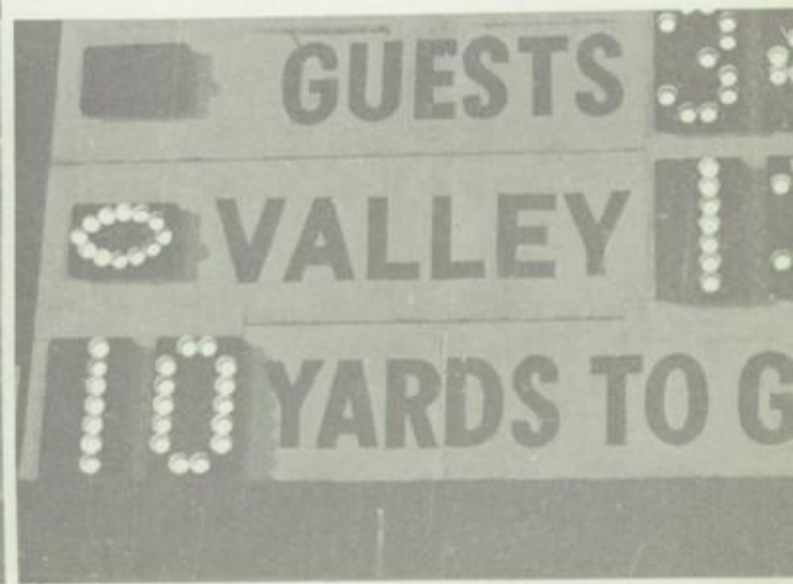

or this book has preserved the  
memories of past years.

**N**

o matter how much time goes by, our  
yearbooks will be there on the shelves,

**R**

eady to provide the memories  
of our younger selves.

**S**

ometimes memories are forgotten, and  
they are so hard to find,

**B**

ut now we will always have them in  
the yearbook of our mind.

Lynn Johnson
